Vol. 2 -- No. 4

SAINT JOSEPH'S COLLEGE, CALUMET CENTER

October 9, 1961

MEET FRESHMAN CANDIDATES

There are eleven freshmen competing for offices of the freshman class. Here is an opportunity for all students to meet the candidates and to get a glimpse of the candidates' platforms.

DENNIS MATUSIAK is a candidate for the office of president. He states, "I intend to promote anything that is in good standing with the freshman class. If the class gets off to a good start its first year, it will be a good class the year of graduation."

FRED GREEN is a candidate for the office of the presidency. Fred states that he will discuss with the Student Council, all suggestions made by his classmates. He believes the freshman class should work with the Student Council.

The third candidate for the presidency is **SCOTT BOYETT**. Scott states his platform in a few words: "Communication and Cooperation." He feels that he is duly qualified inasmuch as he won the Leadership Award of his senior class in high school.

WILLIAM SEDLAK, a candidate for the office of vice-president, would like to see unity in the freshman class. Bill feels unity inspires action, and class action will be beneficial to the entire school.

JOSEPH GLORIOSO is also campaigning for the office of vice-president. If elected, Joe will work with other officers for the benefit of the freshman class.

He would like to see the freshman class the outstanding class at St. Joe's.

THOMAS KEEN is the third candidate for the vice-president's office. Tom believes in working for the good of the freshman class in every way possible, academically as well as socially.

NARCINE SHERPETOWSKY is one of three candidates for the office of secretary. Narcine promises to make known activities so all freshmen can participate. She would like to activate the freshman class.

The second candidate for secretary is **KATHY SHATKOWSKI**. Kathy believes that having been cultural director of her C.Y.O., she is

qualified for this office. She would like to see perfect unity in her class.

If elected secretary of the freshman class, **MARY STRICULA** promises to do her best to fulfill the duties required of her.

The opposing candidates for treasurer are **MARCIA OBREM-SKI** and **SANDY SELZYHSKI**. Marcia promises "cooperation through communication." If elected, she will do her best to satisfy each and every freshman.

If elected, Sandy says she will work unceasingly. She thinks she is qualified because she was the business manager for the Writers Club, while in high school.

Political Party

The candidates for freshman class offices were present at a party Sunday, Oct. 8. At this party freshmen were allowed to register for the up and coming elections. While some of the guests danced, others were the recipients of campaign promises. The remaining guests were engaged in small talk over pizza and Pepsi. With political handshaking, back-slapping, and ear-bending, it seemed as though everyone present had a very enjoyable evening. The party was sponsored by candidates.

JOCELYN KISSELA (right) initiates football season at Calumet Center with a pass to Ruth Szot.

FROM 37 COMMUNITIES

St. Joseph College Enrolls 663 Students

Eighty per cent of the 663 students enrolled at St. Joseph College Calumet Center are from Indiana, according to the Rev. Cletus G. Kern, Registrar. Nineteen per cent are from Illinois and the others are from Michigan and South Dakota.

Father Kern said the 533 Hoosier students are from 23 communities, most of which are located in the Calumet Region. Fourteen Illinois communities have sent 126 scholars to the Center. The 663 students are from 40 communities.

REGISTRATION at St. Joseph's College increased 71.9 per cent during the first semester of the 1961-62 school year over the previous year. The Calumet Center became a four-year degree-granting school a year ago and this fall enrolled 275 freshmen.

Contributing the greatest number of scholars to the St. Joseph's total enrollment is Hammond with 150.

East Chicago is next with 116 and Gary third with 90.

Chicago has the largest number of Illinois students enrolled at St. Joseph's, 51. The school lists 38 students from Calumet City and 22 from Lansing among the 126 from Illinois.

OTHER COMMUNITIES represented are:

Whiting, 58; Highland, 27; Munster, 25; Dyer, 10; Griffith, 14; Crown Point, 9; Hobart, 7; Schererville, 5; Cedar Lake, 4; Michigan City, 4; East Gary, 4; Lowell, 3; Hebron, 2; and Plymouth, Porter, Valparaiso, Peru and Chesterton, 1 each.

Male enrollment is somewhat higher in the coeducational liberal arts college. The 344 male students represent 51.9 per cent of the student body. Numerically, they hold a 344-319 margin in the enrollment tabulation.

Students On Radio

Certain students from the Fundamentals of Speech classes will be on the radio program begun last year for this school. This program will be resumed with students informally interviewing local businessmen and, perhaps, faculty members. The interview will be centered around the theme of vocational opportunities. Further details will be in the next issue of SHAVINGS.

Larry Love Is Winner

Two freshman girls, Mary Lou Skafish and Ardene Rueth, conducted a contest at the Center for the "Viltis Needy Fund." The name was taken from plans by our librarian, Viltis Vichunas, to send a CARE package to India. Larry Love came out tops in the competition.

Miss Vichunas intends to send 66 pounds of food to India through the CARE organization. "Hats Off" to her.

Announce Philosophy Contest

The members of the Indiana Philosophical Association are announcing a contest for undergraduates who wish to submit essays having a philosophical theme. The papers will be read by the Association on Oct. 28, 1961, at Butler University.

The papers may be on any subject of a philosophical nature. (The Committee will interpret the word philosophical quite liberally.) Besides the intrinsic merit of the paper, its suitability for oral presentation before the Junior Association and its likelihood of eliciting discussion will be taken into consideration.

Papers which have been or will be submitted to fulfill course assignments will be accepted.

There will be a first prize of \$10 and a second prize of \$5.

The authors of the winning papers will be expected to be present at the meeting of the Association to receive their prizes and to read their papers. The Association regrets that it cannot provide travel expenses.

Papers should be short enough to be read in 50 minutes—not exceeding 4500 words or over 15 double-spaced typewritten pages.

Papers which have been submitted in previous contests but which did not win awards, may be entered in this contest. Likewise, papers submitted in this contest but not winning awards may be submitted in later contests.

Jocelyn's Birthday Party

On Sept. 26, Father Smolar had a birthday party for his secretary, Jocelyn Kissela. The party was held in Father Smolar's office,

Jocelyn Kissela

and the guests included faculty members and students. Some of the guests were Fathers Martin, Kern, Otte and Smolar; Miss Spuehler and Miss Vichunas; Liz Szelestey, Ruth Szot, and Wally Schultz.

After a few chords of "Happy Birthday," the guests presented "Josh" with several gifts. The wrappings on the gifts were so beautiful, Josh had to be convinced it was all right to open them. Father then treated his guests to birthday cake and coffee.

Unfortunately, Josh couldn't stay for the entire party; she had a previous appointment—a class. Well, Josh, maybe next year you'll be able to stay for your party. Rest assured, though, it was a success.

Papers should be sent to Professor Richard Grabau, Department of Philosophy, Purdue University, Lafayette, Indiana, postmarked not later than October 14, 1961.

This is a perfect opportunity for students to take part in intercollegiate academic events. Let's see what kind of honor you can bring to yourself and to your school.

Exams Scheduled

FINAL EXAMINATIONS, one hour and 50 minutes in length, will be held in all credit courses. Cutting an announced test or examination incurs a grade of F. This may be removed by the passing of a special test after certification that the required fee has been paid. No instructor is at liberty to make private arrangements for such special examinations.

ALL EVENING CLASSES will meet for their final examinations at 7:30 on the same evenings on which these classes regularly meet.

DAYTIME CLASSES will meet for final examinations according to the schedule on the first-floor bulletin board. Everyone should be sure to check his schedule for conflicts, immediately. Report all such conflicts to Father Martin.

Straw Ballot Held

A straw ballot was held Friday, Oct. 6, to determine which candidates are leading in the freshman election. This poll was conducted by several staff members of SHAVINGS. It was conducted in the corridors between classes. This is in no way a prediction on the part of SHAVINGS, nor is it the final decision on the part of the voters. It is the voiced opinion of a minority of the freshmen as to whom they would like to see elected.

The leading candidate for president was Scott Boyett. Tom Keen was in the lead for the office of vice-president. There was a tie between Kathy Shatkowski and Narcine Sherpetowsky for the office of secretary; Marcia Obremsky was leading the candidates in the race for treasurer.

SHAVINGS would like to express its hopes that whoever the winners may be, they will not be lax officers, but will live up to the confidence placed in them by the freshmen. Good Luck to everybody!!

Thanks To Choral Group

A special note of recognition must be extended to all those connected with the Women's Chorus. The girls, under the capable direction of Miss Rose Maria Scozzaro, have had several very impressive performances already this year. Their first was the Orientation Day Mass, for which they had practiced all summer. On Sept. 15, the girls, along with Miss Scozzaro, represented the Calumet Center in the Talent Show which was held in Rensselaer. Their third performance was at the President's Reception, when their beautiful renditions brought comments of praise from the guests. The future plans include, among other things, a Christmas Spectacular, which is to be held near the end of the first semester.

Rev. Henry J. Martin, Director and Dean of the Calumet Center, has expressed his gratitude several times, and hopes the choral group will continue to keep up the splendid work. Along with Father Martin, the student body would like to express its appreciation. Everyone can always count on a fine performance from the Women's Chorus.

Who Is Better?

On Oct. 1, the freshmen met the sophomores in a football game at Kosciusko Park. It was a long and hard-fought encounter and the better team is yet to be recognized. The two classes fought to a 19 to 19 tie. Scoring in the game did not begin until the end of the first half, when the sophomores finally put the ball across, but missed the extra point. For the most part the first half was quite uneventful.

The second was the direct opposite of the first. Play became a little rougher and scoring became more frequent. The two teams took turns scoring. In the dying moments of the game, the freshmen made one last bid for a touchdown. But this bid was stopped by the stout line of sophomores.

Touchdowns for the frosh were scored by Dave Boss, Jim Paske-witz and Frank Keilman. The sophomore scoring was done by Tom Sertich, Larry Suter and Bud Nowicki.

A few of the players might suffer from aching muscles for a while. But these aching muscles had better heal by the next week or so, because the freshmen and sophomores have been challenged by the juniors and seniors.

Because of the enthusiasm shown by everyone, these football games could become a regular part of St. Joe's extra-curricular schedule.

STRIKES & SPARES

Bruno Marszowski has really been burning up the alleys at Castaways the past three weeks. Sunday, Oct. 1, Bruno broke the record for high game with a 268 game. He holds the old record of 248 which he set last week. Again, if it hadn't been for a poor first game, he might have broken the record for high series. He rolled a 607 series; 16 pins short of the record.

Dave Relinski again was runner-up to Bruno. He must wonder what it takes to beat Mr. Marszowski. He rolled a 243 game and a 537 series. He also had the misfortune of having a bad first game.

Judy Kantz took all honors for the girls when she rolled a high game of 138 and had a 381 series. Charlotte Hatzel had to settle for runner-up spot this week. She compiled a high game of 122 and a series of 346.

The first-place Maple Maulers found competition pretty tough when they met the third-place Ten Pins. They sweated out the series and took three from the Pins.

The second-place Pin Tumblers took three straight from the Gutter Dusters who just can't seem to get started.

The Alley Angels took it on the chin three times. The Alley Wreckers really wrecked them.

TEAM STANDINGS

Semour Doolittle II At Large

Hi, gang! Back again after a quite peaceful week here on North Campus. While wandering through our halls and surroundings I gathered a few interesting tidbits. Ready?!!

With Ruth Szot at quarterback and Weldon Davis at halfback, we find the senior class with enough for a football team. Better watch it, boys!

Glad to see such a fine field of candidates for the freshman elections. I hope you all win. Do you suppose the religious issue will enter into the race?

Wally Schultz must be a plumber. I always see him carrying a pipe.

The Parents Club is doing a lot for our school; it's good to see them so interested. Are your folks members? Mine are!

Four Corners was the location chosen for the senior class project. This should eliminate some of the parking problems. (Prerequisite for membership in the Corner of the Month Club: ability to strike a match.)

Lots of luck to Paul Volkman and Joe Parot. They took "The Big Step."

Miss Spuehler did a fine job on the Parents Club posters.

It seems that Bob Jennings and Wally Keilman are very fond of good 'ole St. Joe's. What do your female companions think of it, fellas?

A poll will be taken in the near future of what the odds are of Christology students passing Fr. Lubeley's tests without being heretics! I heard that it was a tough one!

Try this: Walk into the library at your leisure and ask Miss Vaichunas about her "sneezing spells"; a surprise is guaranteed.

"Sympathy" is my expression for the guys who survived the trip to South Campus for the Valpo game. They were outnumbered about 13 to 1. Nice odds!

Congratulations to SHAVINGS and its staff for the neat-looking printed copy they are now publishing. It has class!

Did you listen to our President's speech from the United Nations? This is history and you are living it; be interested in world and national affairs.

Old and new students, remember Frank Clark in your prayers. He had to drop out of St. Joe's because of acute T.B.

Well, friends, until next week, I'll "sign off"; but beware, Seymour's there!

So long!

Valpo Defeats Pumas

Valparaiso stood strong winds better than St. Joseph's Saturday, Sept. 30, and the Crusaders defeated the Pumas 16 to 6 in an Indiana Collegiate Conference football game played in winds that gusted up to 40 miles an hour.

The Crusaders got their first score in the second period, with an assist from the wind. St. Joe quarterback Dave Beam tried to punt from the end-zone. The wind blew the ball right back into his hands and several Valpo players pounced on him for a safety.

In the same quarter, Rick Willer, Valpo halfback, plunged over from the 1-yard line and John Knight converted to give Valpo a 9 to 0 lead at the intermission.

Early in the third quarter Valpo hit pay dirt for the second time; the conversion was good, making the score 16 to 0.

The Pumas scored their first and only touchdown on a 2-yard plunge by junior halfback, John Mirocha. The attempted pass failed, and the final score remained 16 to 6.

Jr. Class Meets

The first executive meeting of the junior class of Saint Joseph's College Calumet Center was held at the college on Sept. 22, at 3 p.m. Present at the meeting were Vince Chiaro, president; Bill Halaschak, vice-president; and Kathy O'Toole, secretary. Due to work commitments, Louis Keen, treasurer, was absent.

Several suggestions for building up the junior class treasury were offered. Among these, a plan was drawn up for a contest. Tentative awards for this contest will be a tape-recorder and a transistor radio.

It was pointed out by the class president that if a contest is decided upon, it will be operated on a closed basis. That is, it will be limited to students of the Calumet Center and their friends and relatives.

The meeting was adjourned at 3:45 p.m. after plans were made to schedule the next executive meeting for Sept. 29, at 3:00 p.m.

Happiness is not a goal; it is a way of living.

Hope is the dream of the waking man.
—Aristotle

Scenic Halls at C.C.

You most probably have heard some schools referred to as the "Halls of Ivy." This past week, we have been the "Halls of Posters." Most of the posters in the first-floor corridors were made for the President's Reception, which was successfully held Oct. 1. Quite a few of the posters were advertisements for the sophomore class Hay-Ride. Since this was held last Saturday, we are now relieved of these. The rest of the posters are part of the campaigns of the candidates for freshman elections, which are currently being held. So relax, fellow students; soon we will return to normalcy.

Executives of Commerce Club Hold Meeting

The Commerce Club recently announced the appointments of Robert Kearney, Walter Keilman and Tom Kuchta as Membership Chairman, Publicity Chairman, and Program Chairman, respectively.

Robert Kearney will be in charge of fostering the drive for new membership. Tom Kuchta will make arrangements for field trips, speakers, movies and other activities. Walter Keilman will be in charge of writing articles for SHAVINGS, announcing club meetings, executive meetings, field trips, movies and speakers.

The club arrived at a tentative schedule for the fall semester. There will be a field trip, a movie and a speaker. Tentative plans were made for adopting a club emblem and for issuing membership cards.

It was decided that all membership fees be paid before the club's first field trip by all who wish to attend. The officers and chairmen will be on hand to accept fees. The fee is \$1 for a full year.

If anyone wishes to join the club, he can do so by contacting one of the club's officers or chairmen.

Weight Lifters Halted

Tom Cardis, who is head of the Weight Lifters Club, said that the club has been unable to work out recently. This, he said, was due to the unavailability of the club room. The carpenters, who have been remodeling the bookstore, have their tools and equipment stored in the club room. Cardis expressed hope that the Club will be able to get underway again, very shortly.

The weight lifters meet several times a week, at the members' convenience, to exercise. This club was organized last year. It was so successful that the members decided to continue this year. Anybody—girls excluded—who wishes to join, should contact Tom.

Forty is the old age of youth; fifty is the youth of old age.
—Hugo

Faculty Members Recruiting Students

On the evening of September 27th two of our faculty members, Father Kern and Mr. Melevage represented St. Joseph's Calumet Center, at Morton High School. The occasion was a panel discussion urging high school graduates to attend college. Other colleges represented were Indiana University, Purdue University and Ball State Teachers College.

Topics discussed at this time were the requirements for entrance and the reasons for attending college.

This is just one of the many times St. Joseph's will be represented at the various area high schools on their College Day and College Nights.

The dates for future discussions are:

- Oct. 5—Hammond High School
- Oct. 13—Thornton Fractional South
- Oct. 23—Thornton Fractional South
- Oct. 29—Bishop Noll High School
- Nov. 1—Horace Mann High School
- Nov. 1—Griffith High School
- Nov. 1—Tolleston High School
- Nov. 2—Lew Wallace High School
- Nov. 2—Crown Point High School
- Nov. 2—Gary Wirt
- Nov. 7—Hammond High School
- Nov. 9—Thornton Township

Students Satisfied With Class Rings

The students desiring class rings have been fitted and the order taken. The students who bought the rings agreed that there was an excellent selection and they approved of the design. In all, nineteen rings were ordered, a greater number than was anticipated. There were three choices: red stone, blue stone or black onyx. The red and blue rings are \$38.07; the black onyx is \$35.67.

The red and blue rings were the most popular choice: seven students ordered red; six ordered blue; and six ordered black. Ten seniors and nine juniors placed orders. Delivery has been promised for December 8.

Arrangements have been made for Mr. Albertson, the representative of Josten's Jewelry, to return in February to take additional orders.

Views on Student Council

Several losing candidates of last year's Student Council elections have been interviewed and asked to give their opinions on the current Student Council.

LIZ SZELESTEY, who was a candidate for office of Secretary: "I think it is a good idea to form sub-committees, but they haven't done anything as of yet, so it is impossible to form an opinion on them. I sincerely hope there will be more open meetings than last year, because every student can attend and actually participate in these meetings. The minutes of all meetings should continue to be posted on the bulletin board, so the students who were unable to attend can see what happened.

"I must say that there has been good organization in dealing with the cheerleaders. Credit must go to both the Student Council, and to the girls.

"Also, the entire student body is benefiting from the appropriations made by the council to SHAVINGS. On the whole, the current administration is doing a creditable job."

DAN LOWRY, who was a candidate for the office of VP: "In passing judgment upon the Student Council officers, I cannot be too critical because I realize that all the officers, especially the President, are constantly faced with problems that will probably never be known to me or any other student.

"I had two complaints to make, but the matter of election regulations has been finally taken care of, so only one complaint remains. Where is the suggestion box that has been promised several times since last April?"

SHARRON KEILMAN, who was a candidate for office of Treasurer: "As you know, I am not at school very often any more. Because of this I am not aware of all the Student Council is, or is not, doing. The activities I am aware of, such as Orientation Day, and "Indian Summer," in my opinion have been successful. I hope that the officers will not become lax, and that they will continue to do a fine job."

Visiting Author

Mr. Russell Kirk, who is the author of "A Program for Conservatives," will be the first of many to appear at St. Joe's for our Visiting Author Program. Mr. Kirk will lecture on "The Future of American Conservatism," Oct. 9. The lecture will begin at 7:30 and last approximately one hour and fifteen minutes. The audience will then be permitted to take a coffee break. They will return at 9 to take part in a discussion of Mr. Kirk's book. The lecture will take place at the college auditorium on the Rensselaer Campus.

Meet the Faculty

Mr. Donald E. Brinley, Assistant Professor of Philosophy, is now a faculty member of St. Joseph's Calumet Center after spending

Mr. Brinley

two years on the faculty at St. Joseph's College, Rensselaer. A former Graduate Assistant in Ethics at Indiana University, Mr. Brinley has earned an A. B. and an M. A. in Philosophy at the Catholic University of America, Washington, D. C.

Mr. Brinley, who is now a candidate for a Ph.D. in Philosophy at Indiana University is also working towards an M.A. in English Literature at the Catholic University of America.

Receiving his collegiate education at the Catholic University of America on a Basselin Scholarship, Mr. Brinley had previously attended St. Meinrad Minor Seminary, St. Meinrad, Indiana.

Sociology Dept. To Conduct Survey

The Sociology Department of the Calumet Center, under the direction of Assistant Professor of Sociology Mr. Alec Lazur, will conduct a survey on ethnic group consciousness. The area of the survey will encompass the north-west section of East Chicago. The territory surveyed extends from Columbus Drive (north) to the B&O railroad tracks (south), and from Railroad Avenue (east) to White Oak Avenue (west).

This survey will be conducted by the students of the senior sociology class in American Ethnic Groups, and those enrolled in Introductory Sociology. The team will gather information by conducting interviews, editing, coding, tabulating and analyzing the data.

Members of the research team include Paul Brindley, Philip Centracchio, Raymond Golarz, Robert Jennings, Leon Kmic, John Kruzan, Richard Maroc, Joseph Modjeski, William O'Malley, Walter Schultz, Philip Seroczynski and Thomas Seritch. Others interested in joining should contact Mr. Lazur in Room 106.

Mind is the great lever of all things. —Webster

Politeness is benevolence in trifles. —Pitt

St. Joe's Student Teacher

It is very possible that you have seen one of our students walking through the corridors with a grim and sober look upon his face. It is very probable this student's name is Thomas Emro. Tom, who is a senior majoring in Education, has been confronted lately with many problems: 33 of them, in fact.

The reason is very simple, Tom has begun student teaching. All kidding aside, Tom said none of the students have given him trouble. When asked for the secret formula, he said: "On the first day of school, I laid down the law."

For the past four weeks he has been teaching fifth and sixth graders at Hammond Clark, and will continue to do so for at least five more weeks. The most exciting thing for Tom has been taking part in the new educational technique, which is being pioneered by the Hammond Public Schools. This technique is one by which the students are taught by the media of television. The subjects are channeled into the class room and the students participate in the lessons.

Tom had trouble getting used to his students not having to do homework. The students are given ample study time in school to complete assignments, and if they don't finish in the allotted time, the work is completed the following day. Students are not permitted to take books home. "This is quite different from the parochial grade school which I attended," he said.

Besides student teaching, Tom is carrying eight hours of class work, so he will be able to graduate next June. After that he hopes to obtain a regular teaching assignment at Clark.

Election Regulations

Each candidate must have a petition signed by twenty-five students and three faculty members, two of whom must be the Dean of Students and their counsellor. This petition must be handed in to the Dean of Students by the 9th of October.

Each candidate must campaign through the use of posters. No discrimination may be shown towards an opposing candidate.

Each candidate must give a 10-minute speech on Oct. 16, in which he will state his qualifications and the reasons why he desires to gain office.

Only full-time freshmen are allowed to vote.

All full-time freshmen wishing to vote must register by the 16th of October. Place of registration will be disclosed at a later date.

The election procedures will be under the direction of the Dean of Students and the Student Council.

Purchase Football

In preparation for the football game played Sunday, Oct. 1, between the frosh and the sophomores, the Student Council bought a football.

The ball was bought at a local sporting goods shop for an undisclosed price. We know it is a very good ball because it was the only thing left in half-way decent condition after the game.

Ignorance never settled an argument. —Disraeli

Roving Reporter

Would you be in favor of having a varsity basketball team at St. Joseph Calumet Center?

JIM KICK—"I'm all for it. The competition provided by basketball would be great. Besides that, it would promote a lot of student interest. Right now people just run in and out of the building from classes. That's about all we have."

BILL HALASCHAK—"I would like to see one established here. The competitive spirit would be good for the school. If not a varsity team, why not a well-organized intramural system?"

MIKE QUINN—"Why not? They have clubs for girls here. They should also have something for the guys. I think St. Joe C. C. should compete athletically as well as scholastically."

MAUREEN CLANCY—"We will have a full-sized college enrollment soon. We should have enough extra-curricular activities to serve the

needs of a full-grown college. Yes, I like the idea."

DENNIS MATUSIAK—"Yes, we should have a team here because most of the games are played downstate and many students can't go. It would surely instill a lot of spirit here."

BUNNY KOCHIS—"If we could get enough people to play varsity basketball it would be fine to have a team."

BETH GROFF—"It would be wonderful to have one here in at least the next four years to occupy the interests of a very large frosh class."

PHIL SEROCZYNSKI—"While affiliated with Rensselaer, this might be difficult to originate since we would be competing with our own school. I would like to have a team, however, if it were possible."

WALLY SCHULTZ—"Out of realm of possibility."
